

INSURANCE BENEFITS INQUIRY

NAME: _____

DOB: _____

It is important to call your insurance company to verify benefits and plan coverage for the following (diagnosis codes can include: E66.9, E11.9):

Do I have weight loss coverage?	YES	NO
Do I have obesity medicine coverage?	YES	NO
Do I have bariatric surgery coverage?	YES	NO

IF you do have coverage for the above, then ask the following:

“What medications are covered under my plan?”

- Phentermine and/or Lomaira (low-marh-rah)
- Qsymia (Q-sim-E-ugh)
- Contrave (Con-tray-v)
- Saxenda (sax-sen-duh)
- Wegovy (weh-gove-e)
- Ozempic (*if I also have diabetes*)
- Rybelsus (rye-bell-sus; *if I also have diabetes*)
- Mounjaro (moon-jar- oh; *if I also have diabetes*)

IF you have coverage for the above, even if not all on the list, ask the following:

“Are there any requirements for medication approval/coverage?”
